

HAPPY BIRTHDAY TO YOU!!

We would like to invite you to be a guest reader on your child's birthday or a convenient day close to the day. We will be celebrating summer birthdays either on their half birthday (e.g. an August 20th birthday will be celebrated on February 20th) or near the end of the school year. You and your child can decide if they have a summer birthday. If your child's special day falls during a vacation time, we can celebrate immediately before or after that vacation time.

If you choose to join us, please select a book with your child that may be a new or old favorite of theirs. Please make sure the book will take 10 minutes or less to read. Most birthday readers come near the end of the day around 3:15. If you choose, you may send in a small, healthy treat to share. Please follow the District's Health and Wellness Policy when providing treats. No items with sugar as the first ingredient (by weight) are allowed. Feel free to visit the following site for more information.

It is helpful if you send the treat in the morning to have during the day. We will read in the large group area as we share all first grade birthdays together.

Please fill out the bottom of this form and return it by September 9th.
